RE: Portland Harbor Superfund Site

To whom it may concern:

My name is Peter Berg and I am an attorney with Lether & Associates, PLLC, in Seattle, Washington. With this communication I formally request any and all documents and information available concerning the Portland Harbor Superfund Site (Willamette River, Portland, OR) with respect to the following matters:

- All non-privileged communication between the Environmental Protection Agency (EPA) and Fred Devine Diving & Salvage and/or Marine Salvage Consortium. Inc.;
- All non-privileged communication between the EPA and the Oregon Department of State Lands;
- All events or occurrences which led to the release of contaminants and/or hazardous substances involving Fred Devine Diving & Salvage and/or Marine Salvage Consortium. Inc.; and
- All events or occurrences which led to the release of contaminants and/or hazardous substances in connection with or related to the following lands situated in Multnomah County, more fully described as follows:
 - o All state-owned submerged lands in the Swan Island Lagoon, a tributary of the Willamette River in Section 17, Township 1 North, Range 1 East, Willamette Meridian, Multnomah County, Oregon, more particularly described as follows:

Insurance Law • Construction Law Commercial Litigation • Dispute Resolution

- Commencing at a point on the intersection of the Southeast line of Tax Lot 600 (Multnomah County Assessor's Map Number 1N1E17CA) and the line of Ordinary High Water on the right bank of the Swan Island Lagoon;
- thence riverward along a line perpendicular to the thread of the stream to the line of Ordinary Low Water and the TRUE POINT OF BEGINNING;
- thence continuing riverward along said perpendicular line a distance of 50 feet;
- thence downstream a distance of 600 feet, more or less, to a point which lies 75 feet riverward from the line of Ordinary Low Water as extended perpendicular to the thread of the stream from a point which is the intersection of the Northwest line of Tax Lot 600 (Multnomah County Assessor's Map Number 1N1E17CA) and the line of Ordinary High Water;
- thence shoreward along said perpendicular line a distance of 75 feet to the line of Ordinary Low Water;
- thence upstream along said line of Ordinary Low Water a distance of 600 feet, more or less, to the TRUE POINT OF BEGINNING, containing .0861 acres.

If you have any questions or would like to discuss the contents of this request, please contact us at any time.

Sincerely,

LEATHER & ASSOCIATES, PLLC

Peter Berg
